Grazing Charcuterie Table

- for grazing tables there is no true set price, each table is unique and the price is entirely dependent on what is requested.

Our Grazing trays may be subject to change in price depending as the market for meats, cheese and fruits is rapidly changing. We take great pride in serving excellent food at a realistic price, but select ingredients are sourced at a higher price point. If there were any trays that you did not see listed above please feel free to inquire. We are always willing to try and make accommodations to meet your needs!
